

Extra!

Extra!

While coronavirus has meant that some activities have to be cancelled or postponed, we continue to work hard to expand our provision. It is however important that we minimise the possibility of transmission across our year groups and therefore sessions will be restricted to a single year group at any one time.

PVA Extra activities can help improve discipline, determination, commitment, communication and social skills. Participation in these activities can help you:

- ✓ Build leadership skills
- ✓ Become a team player
- ✓ Nurture your creativity
- ✓ Expand your experiences
- ✓ Enhance your abilities
- ✓ Identify your strengths
- ✓ Improve your subject knowledge
