

## Wollaton Newsletter Information

**Interhouse sports:** It has been a positive year for Wollaton in terms of sports. In half-term 4 we won the KS3 badminton competition and finished second in the KS4! We also won the Y7 girls football tournament in half-term 5 and the KS4 boys relay race in half-term 6.

Applications for the new sports captains will be open from September! If you are interested speak to Mr Ribeiro.

**Attendance:** Back in February, Thomas Eccles from W3 created a brand new attendance display for Wollaton with an Instagram theme which he has been updating weekly. Our attendance as a house has improved over the year and we aim to increase it even more next year!

**Charity work:** In April we had a very successful charity event to help the organisation 'When you wish upon a star'. We managed to raise £105 in just a lunch time by selling hot dogs and cakes. The event was organised by our Charity Ambassadors who did an amazing job promoting and running the event.

For our last event, we hosted a FIFA 19 PS4 tournament to raise money for Nottingham Hospitals Charity, which took place after school on 19<sup>th</sup> July.
